Katie,

Attached is the latest amendment on the OCR bill. I think that, given the fact that there is no inter-agency funding mechanism in the bill, the amendment is pretty much air-tight as it is. However, if you wanted me to add onto the amendment, "and no agency employing a member of the review panel may receive funding based upon services provided by the agency's employee to the review panel", I could do that. (Request Made By: ARG) (Date: 3 / 4 / 04)

☐ Please transfer the drafting file for

2001 LRB _____ to the drafting file

for 2003 LRB _____

☒ The final version of the 2001 draft and the final Request Sheet will be copied on yellow paper, and returned to the original 2001 drafting file. A new copy sheet will be created/included listing the new location of the drafting file's "guts".

☒ For research purposes, because the 2001 draft was incorporated into a 2003 draft, the complete drafting file will be transferred, as a separate appendix, to the new 2003 drafting file. This request form will be inserted into the "guts" of the 2003 draft. If introduced, the appendix will be scanned/added to the electronic drafting file folder.

— OR —

☒ Please copy the drafting file for

2003 LRB a 2551 / 1 / 1 and place it in the drafting file

for 2003 LRB a 2555

☒ For research purposes, because the original 2003 draft was incorporated into another 2003 draft, the original drafting file will be copied on yellow paper (darkened/auto centered/reduced to 90%) and added, as a separate appendix, to the new 2003 drafting file. This request form will be inserted into the "guts" of the new 2003 draft. If introduced the appendix will be scanned/added to the electronic drafting file folder.

☒ The original drafting file will then be returned, intact, to its folder and filed. For future reference, a copy of the transfer/copy request form will also be added to the "guts" of the original draft.
